**ED MOLDAVER NAMED TO BARRON'S 2017 LIST
OF THE COUNTRY'S TOP 100 FINANCIAL ADVISORS**

ST. LOUIS, April 25, 2017 – Stifel Financial Corp. (NYSE: SF) today announced that Ed Moldaver, Managing Director/Investments and Founding Partner of The Moldaver Paterson Lee & Chrebet Group, ranked No. 30 on *Barron's* annual list of Top 100 Financial Advisors nationwide.¹

“We are extremely honored and grateful that *Barron's* has recognized our practice on this year's Top 100 Financial Advisors list. I believe our group's tremendous success is directly correlated to the advice, ‘first, get the right people on the bus,’ given by Jim Collins in his book *Good to Great*. By building a team of professionals, each specializing in their own separate and specific part of the wealth management process at a granular level, we have done just that,” said Mr. Moldaver.

The Moldaver Paterson Lee & Chrebet Group is one of Stifel's leading wealth management teams. The team consists of eight investment professionals, with the most prominent addition being former New York Governor David A. Paterson. The team maintains a laser focus on the ultra-high net worth market, primarily serving business owners and entrepreneurs. Their wealth management process goes beyond investment planning to include wealth enhancement, transfer, and preservation, as well as charitable gifting, which resonates with the unique needs of ultra-high net worth clients. The team also utilizes Stifel's preeminent middle-market investment bank, which specifically caters to their typical clients and not just Fortune 500 companies. “Stifel affords our team the ability to be plugged into a vast firm infrastructure, while maintaining the integrity and the independent client-driven process of the team,” Mr. Moldaver added.

Previously, Mr. Moldaver was named the No. 1 financial advisor in the state of New Jersey in *Barron's* annual list of America's Top 1,000 Advisors: 2012 State-by-State as well as *Barron's* 2012 list of America's Top 100 Financial Advisors.² He has contributed to and been featured in *The Wall Street Journal*, *Barron's*, Fox Business, *Crain's New York Business*, and dozens of other national publications and media outlets. He has also authored two books on investing.

The Moldaver Paterson Lee & Chrebet Group is based in Stifel's New York City office, located at 3 Bryant Park. They can be reached by calling (212) 328-1000 or (844) 735-9471.
